Re: Monthly General Meetings

Since we are still under CDC regulations of %25 capacity, mandated social distancing requirements, along without being able to seat a group larger than 25 people, we will continue to postpone the General Monthly Meetings. As soon as the restrictions are increased, we will start the meetings as soon as possible, as we want to ensure a safe environment for all attendees.

If you have any questions or concerns, please feel free to contact a Board Member at the club.
