

## The Mercantile Club COVID-19 Guidelines

Due to an unfortunate increase in COVID-19 cases of both Mercantile Employees and Mercantile members, the club will be following the guidelines listed below until further notice.

- ☀️ Masks must be worn at all times when not seated at a table.
- ☀️ Everyone entering the building will be subject to a temperature check. Anyone with a temperature that is greater than 100.4 will be turned away from entry and advised to seek medical assistance.
- ☀️ You must maintain social distancing (6ft) while waiting in line, using the restrooms and all movements within the club facility. Please limit your time in walkways and aisles.
- ☀️ If you have been out of state or have had close contact with someone with COVID-19, please do NOT come to the club. Be conscious and respectful to your fellow members and our staff. It is important to follow the CDC guidelines for quarantining purposes.
- ☀️ Hand sanitizer must be used when entering the facility.
- ☀️ Per the PA guidelines, food items must be ordered off of the menu in order to sit at a table within the club.
- ☀️ Tables are expected to be occupied by a party for no longer than 1 ½ hours during high business volume times. This will be enforced by the Staff and Board Members in order that we can serve as many of our members as possible during this limited capacity time.

Thank you,  
The Mercantile Board Members
