Re: Election of Officers 2020

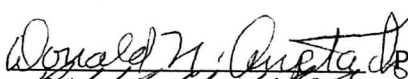

The Board has reviewed the Mercantile constitution in regards to the election of Officers, and have noted the below....

- Nominees for office must attend a minimum of 4 general meetings.
- To be eligible to vote, members attend 2 general meetings.

Since we have not been able to hold general meetings since / during the Covid pandemic, due to both CDC capacity constraints, and social distancing requirements, we will be postponing the Mercantile's Election of Officers. We want to ensure all members can participate in both nominee and voting opportunities.

This will be discussed / resolved once we can start having our General meetings, so both the Board and members can discuss a viable election process, extension, or other. We have made this decision while trying to adjust to the "New Normal", and to ensure we move forward safely and responsibly.

If you have any questions, ideas, or concerns, please feel free to contact an Officer at the club anytime.
